**WA's Premier Off Road Racing Club**

GPO BOX 429, Welshpool WA 6986

10<sup>th</sup> December 2006

Hello Off roaders,

The Harvey Short Course is on 3<sup>rd</sup> February 2007. Sup regs are posted on [www.westerndesertracers.com](http://www.westerndesertracers.com) or [www.offroadoz.net.au](http://www.offroadoz.net.au) If you would like a set posted out please call either Jeremy on 0411 255 925 or Harleigh on 0438 901 757.

We would like to build on the success from July last year, and would love to see you there. We are trying a few innovations this year to try and move forward and respond to some suggestions from competitors. The first is that you need only compete in and complete three rounds, with your best two counting. This will hopefully allow you to drop a round if you need time to repair the vehicle and bring it back out later in the night. If time permits we also run a fifth round (depending on competitor numbers and track conditions).

With a view to running the event more smoothly and keeping cars out on the track at all times for the spectators we will split the field, so that we can rank cars quicker to ensure the first group of cars are ready before the completion of the last few cars.

The issues raised regarding the catering are being addressed.....

One of the main attractions at Harvey is that the one night format and closeness to the metro area enables the competitors to invite friends and sponsors. We are introducing a system that rewards competitors who support the sport by encouraging friends and family to come and watch us race (and maybe support the club at the shop and bar). When you send your entry you can register for as many pre-purchased vehicle gate entry tickets that you wish. These tickets are individually numbered. If any of these tickets are handed in on the night to the gate, the competitor will be billed at \$8 per ticket. If none of yours are handed in then you will not be charged. You are free to sell these for \$12 per ticket or give them away to sponsors or family etc. For example if you sell 8 VIP tickets at \$12 and they cost you \$8 you have effectively saved \$32 on your entry fee.

Remember - If they are handed in at the gate then you will be charged for them. If they are not redeemed then there will be no charge. Hopefully this gives you the chance to spread the word.

If you cant get your car there then please help someone who can. If you haven't been for a while try coming down for the night its well worth at least a look and not too far to travel. We would love to see you there. We think with a good spectator turnout it is a great way for all of us to give our sponsors some exposure and grow the sport on the back of the current new blood and momentum from the July race last year and the upcoming national round at Easter.

Thanks
