

ARB PINJARRA ENGINEERING HYDEN 400

ENTRIES ROLL IN LIKE ORANGES

RECORD LIST OF ENTRIES SEES BIG NAMES KEEN FOR A START

Nah, just kidding.....

There's been a bit of a technical camsy printing glitch, getting authorisations signed off on the sup regs, due to the track not being dusty enough or something!!! However, we are assured that the problem will be rectified as soon as possible.

THEREFORE, THE EARLY ENTRY DATE HAS BEEN EXTENDED TO 28TH FEBRUARY, YES, THAT'S TWICE THE TIME YOU'VE GOT FROM VALENTINES DAY, BECAUSE WE LOVE YOU EVEN MORE SO KEEP WATCHING THE SITE, MURRAY'S SURE TO POST THE NEWS AS SOON AS ITS RELEASED BUT AN ENTRY FORM IS ATTACHED FOR THOSE WHO WISH TO PARTICIPATE IN THE EARLY ENTRY COMPETITION.

MEANWHILE BACK AT THE RANCH.....we've had notification back from wherever the Easter bunny lives that he may make a brief appearance, along with Robby Gordon, Ivan Ironman Stewart and the Nullabor Nymph, keep watching this space.....

Cheers

Ian French
